# WENTWORTH FALLS Wentworth Falls

Issue: 14th April 2021

Walking to the first landing of Wentworth Falls and returning via the Undercliff Walk. This is a great short walk that offers some of the most amazing scenery in the Blue Mountains.

If you don't like steps, this walk is not for you.

- Distance: 4.5km
- Time: 2hrs 30min return PLUS browsing time
- Kid-safe: Yes with supervision, but not little ones
- Steps: Lots and lots and lots

**ACCESS:** Start at the [Wentworth Falls picnic area carpark](#)

**FOLLOW** the path along the top of the escarpment all the way to the end, about 200m.

Take the track down to the falls and keep going until you get to the base of the first (main drop) of the falls.

The path down is historical and a wonderful example of early craftsmanship. There are plenty of great spots for photos down there.
